	Speaker	NA	
	Power Supply (100 - 240 V)	Internal adapter	
	Tilt	-5° - 15°	
	Power Consumption	Off	0.49W
Sleep		0.5W	
On		5.54W	

### HD display

PT167Q brings users into a perfect colorful world in Full HD 1366 x 768, and provides the finest natural and sharp original quality with In-Plane Switching\* panel and 100,000,000:1 contrast ratio.

10-point touchscreen

### Ten-point multi-touch

Ten-point multi-touch is a significant improvement on traditional two-finger multi-touch because it senses ten different touch positions on the screen, and thus allows you to pinch-to-zoom, rotate images, and scroll through webpages.

BlueLightShield™

### BlueLightShield™ technology

Acer BlueLightShield™ reduces the exposure ratio of blue light, which can potentially cause long-term eye damage, by adjusting color hue and brightness.

### Edge-to-Edge design

PT167Q offers Edge-to-Edge design, virtually removes the display bounding box and gives you all image, seamless visual enjoyment with smooth touch and dust-free edge

### About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors, servers, tablets and smartphones — tools our customers need to explore beyond limits and experience more. Ranked No. 3 for notebooks globally (IDC 2012), Acer employs 8,000 people, and 2011 revenues reached US\$15.7 billion. Please visit [www.acer.com](http://www.acer.com) for more information.
